New Holland High School

New Holland, Pennsylvania

Alma Mater

Alma Mater dear we hail thee now,
New Holland High so fine.
Thy founders saw in days gone by
Thy place in our fair town.
So long ago they worked and prayed
For strong foundations to be laid
In Education's Hall that we each day
Might meet our need.

May we who share these blessings now
Serve thee with might and main;
As sons and daughters going forth
Add glory to thy name.
We'll work and play while in thy halls,
And loyal be when duty calls,
And go forth in the world to show
Our school what we can do.

Alma Mater dear we hail thee now

New Holland High so fine

Dedication

To you, our patient advisor, Mr. Donald Sheaffer, we the class of 1954 dedicate this publication. We do this in return for your sincere interest, guidance and supervision during our last three years at New Holland High.

Our memories of you will not only be those of classroom hours, but also of the many ordeals you have pulled us through and your kindness and patience during these trying years.

Accept our heartfelt thanks and appreciation for the numerous extra hours you have spent with us to make our school years truly memorable ones.

Appreciation

●

We, the class of nineteen hundred and fifty-four, wish to take this opportunity to express our sincere thanks to you, Mrs. A. Mary Sinclair, in appreciation of your helpfulness in directing our amateur players with a professional hand during those tense days last November.

When our class was divided for the first time during our school career, it was you who accepted the overflow and led us through our final year with motherly kindness. Yes, Mrs. Sinclair, in appreciation for these, and all the other "little things" which at the time seemed unimportant but which we will cherish forever, we again express our warmest "thank you".

A sly or witty remark coming from the senior classroom can usually be traced back to "Bill", but he can always be depended on.

Trying to skip class for some reason or other is Bill's favorite pastime.

He hopes to further his study of mechanical drawing after graduation.

Shirley Ann Tarbert

November 23, 1936 "Shirl"

Upper Leacock: Chorus (1). New Holland: Leoninus Business Staff (4); Patrol (4).

Shirley became a member of our class in our junior year.

Roller skating is one of her favorite pastimes, and many hours are spent at the nearby rinks.

"Shirl" appears to be one of the quieter seniors, but actually is very lively.

A glance into the crystal ball may find Shirley in an office, using her commercial training.

John Walter Tennis

December 13, 1936 "John"

Salisbury: Band (1,2,3); Chorus (1,2,3); Baseball (1,2,3). New Holland: Band (4); Chorus (4); Baseball (4); Senior Play (4); County Band (3,4).

Although John has been with us only one school term, he has acquired many friends through his witty personality.

John displays his musical talents by playing the trumpet in the band and singing bass in chorus.

His plans for the future are indefinite, but the life of a grocer will most likely claim him.

Mary Caroline Trego

November 5, 1936 "Caroline"

Salisbury: Chorus (1,2,3); Operetta (2,3); Minstrel show (1); Senior Play (3). New Holland Chorus (4).

Caroline is one of the eleven students who came to New Holland from Salisbury Township for her fourth year.

She can often be seen driving around her home town of Cambridge in a 1948 "Chevie".

Caroline is a commercial student, and is planning a career as a secretary.

Donald James Troupe

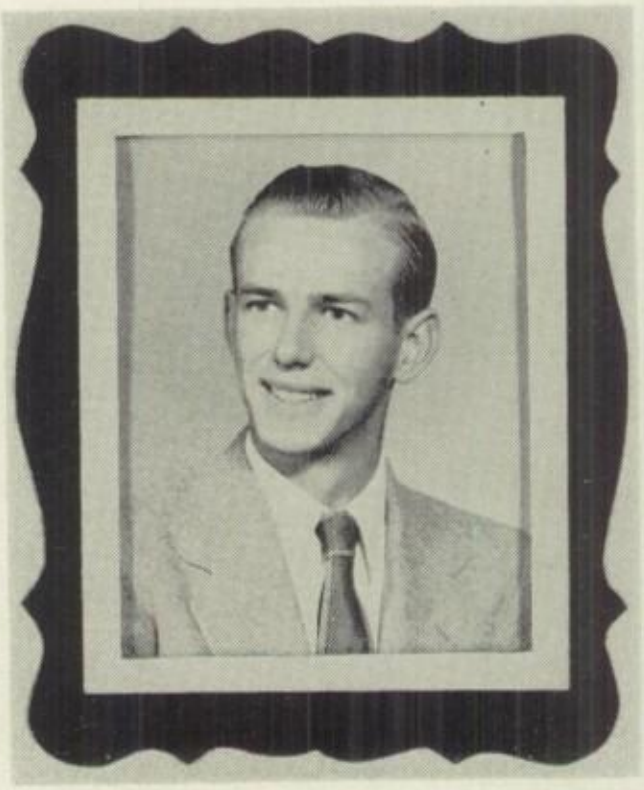
Student Council (3,4); Leoninus Circulation Manager (4); TCN Editorial Staff (4); Chorus (4); Soccer (1,2,4); Junior Play (3); Senior Play (4); Patrol (1,2).

Being an original member of our class, "Whitey" has acquired many friends.

Activities around school, a job, and hunting claim much of his spare time.

Portraying "Lucifer" in the senior play, and taking part in the junior play, "Troupey" proved his acting ability.

His plans for the future are uncertain.



Roberta Ann Widdekind

April 5, 1937 "Bobbie"

Leoninus Business Staff (4); TCN Business Staff (4); Chorus (4); Patrol (3,4).

"Bobbie" joined our ranks in ninth grade from Lancaster. Her smile and cheerfulness have won her many friends.

She can be seen almost daily at her patrol post.

Most of "Bobbie's" leisure hours are claimed by her job.

In the future she will probably do secretarial or general office work.

Nancy Witmer

January 25, 1937 "Nancy"

Leoninus Business Staff (4); TCN Business Staff (4); Hockey (1,2); Basketball (1,2,3); Junior Play (3); Senior Play (4); School Treasurer (4); Patrol (2).

This dark-haired lass entered the class of '54 in first grade.

"Are all the treasurers' reports in?" Yes, that's Nancy, our very efficient school treasurer.

She showed her dramatic ability by portraying the grandmother in our Junior Play and the maid in the Senior Play.

After graduation "Nancy" looks forward to marriage.

Mary Louise Yoder

August 18, 1936 "Mary Louise"

TCN Editorial Staff (3); Chorus (2,3,4); Basketball (1); Senior Play Understudy and prompter (4); Patrol (4).

"Mary Louise" has been a member of our class since first grade.

She is very quiet and sincere. All through high school, she showed a great deal of interest in all her studies and her lessons were always well prepared.

Having a desire to become a teacher, we may some day find her busily engaged in elementary teaching.

Mary Edna Zimmerman

July 7, 1936 "Meggie"

Lancaster Mennonite School: Junior Chorus (1). New Holland: TCN Business Staff (4); Leoninus Business Staff (4); Chorus (2,3,4); County Chorus (3,4).

"Meggie" joined the class of '54 while we were in our Sophomore year, and is a Commercial student.

Among her favorite pastimes, she enjoys driving a group of girls around in her Chrysler.

Her plans are indefinite, although pots and pans will most likely clatter in her future.

Junior Activities

Thirty-nine members of the junior class spent a very busy year in the '53-54 term. Heading the class was John Flora, who was assisted by Gene Lowry, vice president, Carol Duck, treasurer, and Sylvia Ruoss, secretary.

We chose Proverbs 3:13, "Happy is the man that findeth wisdom" as our class motto. Red and white were selected as our class colors and were carried out in the corduroy jackets we purchased. A white rose with red tinge was our choice for our class flower.

We sponsored the food stand at all home basketball games and five dances after the games.

On April 2, we presented our junior play, Babies' Night Out". April 30 marked the Junior-Senior Reception, the theme being kept secret until the night of the dance, in the traditional manner.

The Student Council has become a very permanent part of our school life since its formation seven years ago. Under the capable supervision of Miss Elizabeth Troxell, this group has made outstanding achievements. Our Student Council originated the plan for a Lancaster County Student Council Association. This group now meets annually in different high schools throughout the county. New Holland's Student Council also takes part in State and District conventions which are held once a year.

School elections are conducted by the Student Council for both Council members and class officers. This is part of their program of holding more democratic school elections.

Dances, which are held throughout the year, constitute the main social activity sponsored by this group.

Many school projects are directed by the Student Council. Some of these are: the annual Lost and Found Auction, choosing the outside assemblies, and purchasing and replacing equipment needed by various groups around the school.

Because of the large part that the Student Council plays in our school life, it certainly deserves all the recognition and credit that it receives.

JOURNALISM

Many schools which fall into the same attendance category with New Holland High School are not served by the complete journalistic outlets which New Holland possesses. Interested students can channel their abilities in three high school organizations, the editorial staff of the Town Clock News, the annual Leoninus, and an international honorary society for high school journalists known as Quill and Scroll.

Publication of the Town Clock News is made monthly by an editorial staff of thirty members headed by Miss Ruth A. Witman and student editors Barbara Dyer, Margaret Martin, Sylvia Ruoss and Bill Snyder. For the past two years this literary effort has received a second place rating from the Columbia Scholastic Press Association and last year was rated first in the Pennsylvania competition. Next year will mark the twentieth anniversary of the TCN.

After many months of preparation, each spring the Leoninus is published by the Senior Class. It too, like the Town Clock News, has received a second place rating from the Columbia Press Association for the past two years. This year's edition marks the twenty-first year of publication.

Quill and Scroll is the newest member of this Journalism family, being introduced in 1938. Twelve Junior and Senior students comprise the membership of this organization through whose endeavors the news and happenings of the school are brought to the eyes of the townspeople through the medium of the New Holland Clarion. They bi-weekly post bulletins and also maintain the file of dead copies of the Town Clock News.

With these three journalistic groups bringing weekly news to the public, the Town Clock News publishing school news eight times annually, and the Leoninus summing up all the events of the school year, the students of our Alma Mater can voice their opinions and ideals via the printing press.

The John N. Sauder Auto Company each year donates the dual control car used by the Driver Training students.

First You Start With A Great Idea

Not long before you Seniors first started in kindergarten, a few men in and around New Holland had a great idea.

It was an idea that has revolutionized farming in the United States. It mechanized the hayfields, eliminated a lot of back-breaking work, improved the quality of hay, and built a large corporation.

The idea was to mass produce an automatic pick-up hay baler, invented by a local farmer.

Since 1940, when New Holland produced the first baler, a lot of thought, time, energy, skill, and money has been at work, making that great idea come true. A lot of agricultural advances have been made, and a lot of rewarding employment has resulted.

A successful man once confided that he always had a ten-year project laid out before him . . . a great idea to work for, and to work out.

So, remember, first you start with a great idea! Then, with the idea always in mind, you plan and work to make it come true.

To the Class of 1954, congratulations from your friends at the New Holland Machine Company.
